EDUCATION

Guru Gobind Singh Indraprastha University *Delhi, India*

Bachelor of Engineering in Automation and Robotics (**9.16 CGPA**) 2022 – 2026

- Among the top 5% of 500+ students at the university
- Relevant coursework in Software Engineering and DBMS
- Published 2 research papers in an international journal *(10.5281/zenodo.18871968, 10.5281/zenodo.18871983)*

SKILLS

Programming Languages: JavaScript, C++, Python

Technical: HTML, CSS, MERN, Tailwind CSS, Flask, Supervised Machine Learning, DSA

Tools: MongoDB, GCP, Google Search Console, Postman, Botpress

Others: Technical writing, Team work

CERTIFICATIONS

- C++ *(Udemy)* and DSA *(Udemy)*
- Full stack web development *(Devtown)*
- Machine Learning *(Pantech)*
- Performing Infrastructural Tasks in GCP *(Google)*

EXPERIENCE

Devtown *(link)* *Bengaluru, India (Remote)*

Software Developer Intern 07/24 – 11/24

- Implemented full-stack web development in 4+ web applications during the internship.

PROJECTS

Kisan Kranti (*link*) 09/24 – 11/25

- Collaborated with a cross-functional team to build an end-to-end agro-tech web and mobile based platform for Indian farmers to detect crop diseases using AI, gain insights on crop's health and overall crop lifecycle management.
- Trained 26 CNN models for 100+ crop disease prediction using transfer learning via Keras and Tensorflow. Built the website using the MERN Stack with Tailwind CSS, integrated many APIs, and a chatbot for providing a full-stack experience.

PresYou (*link*) 05/25 – 07/25

- Co-Developed a No-Code platform to quickly generate personalized portfolio websites and resumes without requiring any coding knowledge. It provided 20+ templates for portfolio & resume designs.
- Utilized MERN Stack with Tailwind CSS for front-end and back-end development. Trained and integrated a chatbot using Botpress. Deployed on Vercel and Render with a custom domain.

ACHIEVEMENTS

- Winner of HackJMI 2025, a national coding competition among 120+ teams shortlisted from 250+ teams, including 500+ members *(link)*
- 'Best Paper Award' for presenting a review paper at the 8th International Conference on Advanced Production and Industrial Engineering (2024) among 180+ participants shortlisted from 1000+ applicants *(link)*
- Secured highest CGPA in the university in 3rd Semester (9.92) among 500+ students *(link)*
